Malifaux BAYOU BASH Tournament

Armylists:

- ❖ The crew lists that are to be submitted at the beginning of the tournament must be 50 Soul Stone - that will be your pool.
- ❖ Avatars allowed!
- ❖ Crews do not have to be painted, but they will lose points.
- ❖ All the terrains on all the tables are fixed and are not to be moved around by players.
- ❖ After your opponent and table number are drawn and the strategies are flipped for, you pick out of your crew list (pool) a maximum of 35 Soul Stone with which you will play. (so you can strategize according to the opposing list, strategy, terrain setup etc...)

Games:

- ❖ Every player flips his own strategy (before choosing his 325 SS Crew out of his pool).
- ❖ The same strategy can not be played more than once by one player (if it happens, reflip).
- ❖ Also, after picking his 35SS crew out of the pool, a player chooses 2 Schemes.
- ❖ There is a maximum of two times that a player can play the same scheme on the tournament!
